Dear Parents,

Catholic Schools Week

The theme of this year's Catholic Schools Week, which runs from January 30 – February 5, 2011, is "A+ for America." Our January 30 Open House is preceded by a special Mass at 10:00 a.m. to kick off the week long celebration. Catholic Schools Week is a nationwide celebration meant to recognize the tremendous impact Catholic schools have on students, families, and communities. Cardinal Pacelli exemplifies all the good qualities we've come to expect from Catholic schools: high academic standards, Christian values, community service, a nurturing atmosphere, and family involvement.

You're Invited to Winter Open House

Celebrate Catholic Schools Week at Cardinal Pacelli's Winter Open House on January 30 from 11:00 a.m. – 1:30 p.m. This is your chance to tour our Showcase of Classrooms, read about the people whom our students consider "Living Saints," catch a sneak peak of the new digital school newsletter, see student artwork displays, enjoy refreshments and shop for Spiritwear.

It's Coming to Your Inbox Next Week!

Look for your new digital school newsletter next week on February 2. You'll find the same great school news, but an easier to read format with features that will make it a snap to navigate to the information you need. Can't wait until the 2nd? Come to Open House on January 30 to get a sneak peak!

A REMINDER that this Friday, January 28th is the deadline for the re-registrations forms to be turned in. The return of the form, along with the re-registration check, insures your child(ren)'s spot for the 2011-2012 school year. After this date, we will begin to accept new enrollment. Some classrooms are near capacity at this point, so please be sure to return the form if you are sending your child(ren) to school at Cardinal Pacelli next year. Thank you.

The American Mathematics Competition 8

The results are in from the American Mathematics Competition 8 taken in November by our 8th graders. The AMC 8 gave the 8th grade an opportunity to participate in a friendly and fun mathematics competition. The questions ranged in difficulty from easy to very difficult. The top finishers at Pacelli were:

Gold – Alex Gruber

Silver – Jack Green and Cullen Small

Bronze – Katie Brown

Congratulations to all who competed!

Junior High Parents:

The "In Control" Parent Meeting presented by Pregnancy Center East is re-scheduled for Thursday, Jan 27th at 7:00pm. It will be held in the Cafeteria.

Dear Parents ,

Due to many requests and in a effort to make purchasing uniforms more convenient, we are considering getting all our shirts, jumpers and skirts through Lands' End beginning next year. With this change, there could be a slight price increase. We will know exactly what that is, once we decide if we are going to make the switch. We would appreciate your input. Please contact Michele Deremo at mderemo@cinci.rr.com with your reply of "Yes, I would like to purchase uniforms through Lands' End" or "No, I would not like to purchase through Lands' End"

*Blue dress pants and shorts may still be purchased anywhere stores carry them. They do not have to be purchased through Lands' End. All uniform items you presently posses may still be worn.
Thank for your time and participation! PTO and the Spiritwear Committee*

Drop Inn Center Volunteer Opportunity

Our Parish Social Action Commission is looking for volunteers to assist with a monthly dinner at the Drop Inn Center homeless shelter. This is a great opportunity to participate in a rewarding project with your kids and other school parents, without a long term commitment.

Volunteers from Christ the King prepare and serve dinner to the shelter residents on the 4th Monday of each month. You can volunteer for as little as one dinner per year! The menu is simple, and we will provide you with all the details about what you need to prepare. Why not talk to your friends and other parents, and get a group involved with this worthwhile cause? You'll be glad you did!! For more information, please contact parishioner Mary Persinger, 513-378-8936, or mfrances@fuse.net. Thank you!
