Dear Parents,

Children's Offertory Collection at All School Masses

I wanted to let everyone know how pleased I am that the school children have started making contributions during their all school Masses. At our last all school mass, the children offered their monetary gifts to God at Mass. While this was presented as a way for the children to assist with raising funds for our future heating/air conditioning unit for the church, it is much bigger than that. We are laying the groundwork and teaching our children that we **all** must do **our** part to support **our** church.

Fr. O

★★★★★ Just a reminder that we have an all school mass Monday October 4th. Students, if they choose to do so, can bring in their monetary gifts. Money should be put in a ziploc plastic bag for collection during the mass.

!!!! There are still a few families who have not yet returned the **signed copy of the handbook guideline form**. A second copy was sent home this week. If you have not returned your form, please do so. Thank you to all who have done so already.

Iowa Testing will begin next week in grade 2,3,4,5,6, and 8. If you need to take your child out of school for an appointment, please check with your child's teacher to make sure there is no testing taking place then.

We would like to thank all of our students and parents who supported our biggest fundraiser of the year, the Magazine Sale. We were very excited to reach our goal this year. A great big thank you to Cheri Fitch and to Robin Keyser for being in charge of this big event. They certainly put a great deal of effort into this project and we thank them very much!!

Attention all Eighth Grade Parents!
A letter outlining high school application dates is being sent home with your child Friday.
Please look for this letter.

Ahhh, Fall! I recently came across the CS Lewis quote:

"But I remember more dearly autumn afternoons in bottoms that lay intensely silent under old great trees"

And as I reflected upon it, I thought...well, he obviously didn't have two or more kids that needed to get to soccer, finish a book report, take to dance class, sell magazines or make cookies for a bake sale!!!

I hope you are enjoying this crisp fall weather and I hope you do get the chance to take in some fun activities, such as, the Farmer's Market with all its autumn vegetables or a good soccer game!

In the meantime, things are busy as ever at Cardinal Pacelli School! The Magazine Drive was a huge success, our new Drama Club is ready to begin, Cub Scouts have yummy popcorn for sale and fun parties

are coming up! Read on!

Magazine Drive – The Results

We DID it! You DID it! THANK YOU – THANK YOU – THANK YOU!!!

CUB SCOUTS

Reminder: Mt. Lookout Farmer's Market continues through October 16

The Mt. Lookout Farmer's Market continues every Saturday from 10am to 1pm in the Cardinal Pacelli - Christ the King Parking lot behind the school. The market will run through October 16 and culminate in the annual Mt. Lookout Community Council Fall Festival after the market on October 16. Due to the square construction the Fall Festival will be held at the same location as the Farmer's Market behind school following the Market on Saturday, October 16. Put it on your calendars now. There will be plenty of activities for the kids, the Stand will be DJ-ing, and good food from your local Mt. Lookout businesses. Come out and have a great time! Watch for more info coming soon from the Mt. Lookout Community Council.

New Items for sale from the Cub Scouts at the Farmer's Market

Your Cardinal Pacelli - Mt. Lookout Cub Scouts now have fall items including gourds, pumpkins and assorted fall baskets at the [Farmer's Market](#). Last week we added marinara with our bumper crop of tomatoes. This week we will also be adding pumpkin bread, baked fresh from our garden pumpkins as well. So all you missing the zucchini bread, now's your chance the next couple weeks to try out some pumpkin treats. And just like their other great fruits and vegetables, the gourds and pumpkins were grown locally (and organically) in the community garden at Valley View Nature Preserve. The fall baskets will make great gifts and look great on any fall table. See the attached flyer for a sample of the available baskets. Each one is individually assemble and selection will vary. They can even custom make one to fit your needs. The summer vegetables are almost done, so come out and get that great basil pesto this Saturday while it's still available. In addition pick up firestarters and kindling for your fireplace and firepits. These are sure to make it easy to enjoy a fire on the patio as the cool evenings descend upon us and your kids beg to roast smores!

Popcorn Is Here from your Cardinal Pacelli Pack 140 Cub Scouts

It's that time of year for Cub Scout popcorn. All your favorites including microwave, cheese, caramel and chocolate are available starting this Saturday. There are some new flavors too and all packages have more popcorn than ever before! Stop by the Farmer's Market and pick some up this Saturday. You can also contact any of your Pacelli Cub Scouts of Pack 140 and they'll deliver it right to your door! Watch for them in the neighborhood. See our [Popcorn flyer](#) for the entire selection of popcorn and enjoy! The Cub Scouts will be selling after all masses the weekend of October 16-17 in the church driveway and at Sam's Club this Saturday (10/2) from 10am - 4pm.
