From the Principal

Dear Pacelli Families,

It is so nice to be back to school and on a schedule. Time off is nice but now it's time to go back to work! The faculty and staff are eager to partner with you in making this year productive and successful! We had a wonderful first day of school. Although the outside was gloomy our inside was full of sunshine with the return of all the students including a few new ones. As soon as our Pre-School and Pre-K students arrive the week of the 29th, we will be complete - all 374 young and expanding minds!

Along with a few new teachers, we have added some new faces to our auxiliary staff and also added two additional staff members to the Resource team. Please check the website for contact information.

In an effort to go paperless, we will no longer be sending home the white envelope with fliers, forms, etc. Instead, we will link those items in the POST for easy access for all of you. It is extremely important that when links are provided for different items, you print out those pertaining to you and your child. When sending items to school with your child, you can put them in envelopes, mark the recipients, and then the teachers will make sure they are sent to the office. With the beginning of every new year there are forms you must print off and send in immediately to insure the safety and well-being of your child. Please print, sign and return the following forms to school with your child.

A revised School Handbook is available on our Cardinal Pacelli website for your review. Go to our Website Home Page: www.cardinalpacelli.org and select Current Families to locate the 2016-17 School Handbook.

We have been busy over the summer getting familiar with our new Student Management System, RenWeb. Within the next couple of weeks, you will be given directions on how to access the Parent Web and even purchase an app for your devices if you choose. When accessible, you will be asked to make sure all of your family information is current and if not, update it through Parent Web. We are very excited to have a very user friendly system which will allow both school and home to have immediate access to family information, a family and student directory, grades, assignments, medical information, etc.

I am looking forward to another SUPER year with your precious gifts of God! They are my number one priority!

May God Bless You Always,

Mrs. Terri Cento

NEWS FROM THE SCHOOL NURSE

IMPORTANT: Every child needs an Emergency Medical Authorization Form. These forms need to be completed and sent to the school by Monday, August 22nd. [CLICK HERE](#) for the form.

Welcome back to all returning and new families! A reminder to parents of those students in Kindergarten and 7th grades: these are years in which new vaccinations are required. If your student has not been updated on immunizations, please make an apt. now, as I will be contacting you regarding this.

Also, lets keep up the good work with prevention of lice. Diligence with checking for nits or live bugs, especially after sleepovers, is helpful. Also, try not to share combs, brushes, hair ornaments, helmets, pillows, etc.
