From the Principal

Dear Pacelli Families,

I cannot believe this is the last day of August. Half of our Pre-Schoolers and Pre-K students began their first day of school today. By Friday, I will feel complete with all students enjoying the Pacelli experience!

We have so many activities and events going on here at school every day and would love for you to be a part of it. We could not create such a spectacular academic, spiritual, and social environment without the help of our volunteers. Please remember that all volunteers need to be VIRTUS trained and compliant with all their bulletins. Go to: virtus.org and arrange to do a background check and follow the registration process. You will be provided a list of area churches and schools who offer the training.

Beginning September 6th, the grade level masses at 8:15 will begin. Tuesdays are for grades 5 - 8 and Thursdays are for grades K - 4. There will be some exceptions when an All School Mass is planned. These occur once a month. I invite and encourage all parents to come and join with us in the holy sacrifice of the mass. You have never experienced such joy until you attend a children's mass!

We are now using RenWeb as our Student Management System. Details about the Parent Web will be in the Pacelli POST next week. At that time, you will be given the necessary information to open an account and possibly purchase an app for your Smart phone.

We have had a couple of instances in the last year where visiting parents have taken photos in the classroom with students and then posted them onto their social media, Facebook accounts. I have had a couple of phone calls from parents asking that these pictures be removed from personal accounts.

I know that there is no malice involved but I ask that you are mindful of this practice. We have a school Facebook account and I am more than happy to post pictures of the students in our wonderful learning environment. Of course, if the photo is of your own child, posting is not a problem. However, other parents may not want to give up their right in a decision to post. Parents have the final say as to where their child's picture shows up.

The cafeteria is scheduled to open again on Tuesday, September 6th. For those who intend to buy a hot lunch, the menu is posted on Quick Links above. The procedures will be the same as they have been in the past.(See website).

Thank you for everything that you all do for our school. We are off to a wonderful year!

May God Bless You All,
