## FROM THE PRINCIPAL

Dear Pacelli Families,

Things feel back to normal around Cardinal Pacelli as all of us have acclimated nicely to a regular school routine. It is amazing that soon we will be celebrating our 100th day as the remainder of the year will fly by! We have so much to get in before that happens. However, our evenings have been full with basketball, basketball, basketball! Excitement and spirit have filled our gym as the Ron Speed Basketball Tournament is in full swing! Thank you to all for being terrific stewards and role models for our own children and the parents and children of all the visiting schools in behavior, good sportsmanship and school spirit. I tell the children all the time that this is our home and we need to welcoming visitors graciously and treat it with enormous respect! It is extremely important that all of the children have a positive experience in the tournament, so I ask for your continued support in monitoring and supervising them in the gym during all of the games.

Students in Grade 6 have completed the tests for the Monsignor Quinn Memorial Scholarship. The results will be calculated and the announcement of the winners will be made at our Catholic Schools Week Mass on Thursday, February 2nd.

Eighth graders should be receiving their acceptance letters from the high schools based on their HSPT results sometime by the end of the week. Good luck to everyone.

Blessings to All,

Mrs. Terri Cento

## NEWS FROM THE SCHOOL NURSE

A new law was signed by the Governor of Ohio in December called Lindsay's Law. This law requires that all coaches of an athletic activity must complete Sudden Cardiac Arrest training on an annual basis.

This is in addition to CPR and AED training required for all coaches. The new course will teach coaches how to recognize the symptoms of Sudden Cardiac Arrest, which is the most common cause of sudden death
