is committed to providing a nurturing environment focused on developing the spiritual, academic, and social abilities of each child. We work to instill positive morals and a sincere desire in our students to become lifelong learners and to better the community around them.

MESSAGE FROM THE PRINCIPAL

Dear Pacelli Families,

Welcome to fall and the new weather pattern that has come with it! The building is coming along with a slight delay in pouring of another wall due to the rain but it now completed as they move to preparing for another pour. The work behind the rectory continues with completion soon. As of today, the side door to the church is still accessible when using the Parish Center. However, that will change sometime soon. When I know, you will know.

We are in the midst in preparation for our Veteran's Day Celebration on Friday, November 10th at 1:30 PM. Veterans and those coming with them will be parking in the back just like we park for the end of the day for dismissal. They will be in the front of the lines to allow them to leave when our ceremony is over around 2:10 PM. I am so excited that so many of our children will have someone here either in body or in spirit. I look forward to a very joyous acclamation from our student body of the dedication and bravery of all our service people.

Our new Art teacher, Ms. Jayde Rogenski, has linked us to Artsonia. What is Artsonia? It is the largest student art museum in the world! Every child can have an online art gallery and keep their masterpieces in a digital portfolio! This on-line web gallery has been opened by Ms. Rogenski displaying the work of our students created in Art class.

It will also raise money for the art room when families order things from the gift shop with their kids' artwork printed on it. For your viewing, please go to Artsonia for a full view of what this gallery has to offer! These are two samples of what you will see. Tubular Art created by a 7th grader and Pastel Flower created by a student in grade 4.

If you would like to help with this site, please contact Ms. Rogenski at rogenski_j@cardinalpacelli.org.

Day one of conferences went very well. Day two is on Thursday from 3:00 PM - 8:00 PM. As hard as it is to do, please keep to the time limit for the conference so they do not get backed up. I know 10 minutes is not ever enough time to talk about your child. There are always so many wonderful and exciting things to share. See you Thursday!

The year seems to be going quickly. Take some time to enjoy the change of season as we look forward to the busy holiday season!

God Bless,

Mrs. Terri Cento

GIRL SCOUTS

Over the month of November, we are going to collect small items that can be stuffed into Holiday Stockings and that we can send to fellow Girl Scouts in both Puerto Rico and Northern California who have suffered so much loss during the recent natural disasters. We have suggested items below, but the joy is having the kids think about what they would like to have if they were in their friend's position and to come up with items. Please drop off all items to the school office by Wednesday, November 29th.

Items need to be small and should not require electricity (as many of these troops are still without their homes or even utilities!)

Suggested items:

- Activity books
- Markers/colored pencils
- Small toiletries (hand lotions, lip gloss, etc. Stay away from toothbrushes, soaps, etc as our troops have indicated they are being supplied this through Red Cross, etc)
- Craft supplies
- School supplies
- Journals
- Small games (cards, handheld games, etc)
- Nut-free snacks
- Jewelry
- Small books
- Small stuffed animals

We will have a box at school to collect donated items. We will also accept monetary donations to help with shipping cost and to purchase items to fill the stockings. Checks can be written to Girl Scouts of Western Ohio. Please contact Julie Florio for details or if you have any questions. florio_j@cardinalpacelli.org
