From the Principal

Dear Pacelli Families,

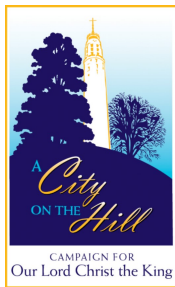

Time is really going quickly. I cannot believe that Trimester 1 will be ending on Friday, November 11th. Please mark your calendars for November 21st and 22nd for Parent/Teacher Conferences. Next week I will be emailing you the link to sign up with your child's teacher. Conferences will be held on Monday, November 21 @ 1:00 PM to 7:00 PM and on Tuesday, November 22 @ 9:00 AM to 3:00 PM. We have set these two days for conferences and I strongly encourage you to find a time during these two days that best fits your schedule. We have been working very hard at Cardinal Pacelli and would like to share personally with each one of you all of the progress and great strides your child has made so far this year. It is also a time in which you can share any concerns you may have and allow us to partner with you to make your experiences here pleasurable, positive and progressive.

Commitment Weekend is FAST approaching! If you have not completed your pledge card yet, please prayerfully consider what your family can do to help with the capital campaign. Donations both large and small will help us to reach our goal and allow us to be an even stronger Parish community of ministry, education, and faith! I look forward to seeing all of you at one of the masses October 29th and 30th. Your children have helped us plan for this very joyous occasion with some displays of artistic talent and a choral presentation. [Click Here](#) to see what some of the students and parishioners have to say about what this campaign will bring to Our Lord Christ the King/Cardinal Pacelli! We are truly AMAZING!

Blessings,

Mrs. Terri Cento

This is the final week for the Capital Campaign!

Here are ways to commemorate this milestone in our parish history:

- PLEDGE CARDS DUE FRI, 10/28: Don't forget to turn your pledge cards in by this Friday - remember to turn it in whether or not you've pledged - no donation is too small! Our goal is to get 100% school families turn-in! 59 families have turned their cards in already - we need the other 163 families to participate to meet our goal!

A special thanks goes to these school families who have already turned in their pledge card as well as those that contributed in the first phase of the campaign. Thank you for providing a bright future for our children.

- STUDENT VOLUNTEERS NEEDED: Students K-8 are asked to volunteer to help after each mass with the Commitment Celebration. Volunteers will be in a brief, group singing performance of songs they learned for Special Persons Day. Students will begin singing 15 minutes after each mass this weekend in the Celebration tent next to the church. Volunteer sign-ups are due this Friday morning...Please click here to participate: <https://form.jotform.com/62974111211143>

- JOIN THE COMMITMENT CELEBRATION AT EACH MASS THIS WEEKEND: Let's celebrate our future of the City on the Hill by recognizing all the reasons why we started this campaign! Here is what we have planned:

- Each mass will recognize the many ministries in our parish that will enjoy the footprint of the City on the Hill:
 - At 4:30 Saturday mass, our Boy and Girl Scouts in uniform will be recognized
 - At Sunday morning and noon masses, Parish Council and our Parish Ministries will be recognized
 - At Sun 5pm mass, we will recognize CTK Athletic Commission and all Fall Coaches and their players who'll be wearing their game jerseys.

After mass, join us as we continue the celebration in the Commitment Tent erected in the location that will be our future gathering space! Aside from lite bites and refreshments, come enjoy many things that could be embraced in our future footprint: Pacelli Student art, Athletic team photos, and photos of our many parishioners will be on display, and student vocal performances coordinated by Pacelli Music Teacher, Ms. Laura DeBrunner. Campaign Committee members will be on hand to answer questions about the City on the Hill. It's a milestone in our parish history you won't want to miss!

FALL OPEN HOUSE - NOVEMBER 11TH

We are hosting a Fall Open House
Friday, November 11th, from 9:30 a.m. to 11:30 a.m.

Please help spread the word to anyone interested in visiting our school to see what Cardinal Pacelli is all about!

During our Open House, visitors will be able to ask questions and learn about what we have to offer at Cardinal Pacelli, AND they will have the opportunity to visit classrooms and see our teachers and students in action.

Volunteers will be needed to assist in giving tours.

Please contact florio_j@cardinalpacelli.org

POST BOAST - SPOTLIGHT ON CLASSROOMS!

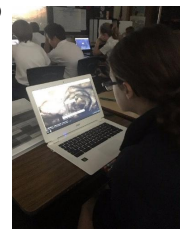

Sixth graders took a virtual field trip to Lascaux, France to study famous ancient cave paintings made by prehistoric peoples. The paintings are 17,000 years old! What we learned: these prehistoric societies were very complex and had many tools and forms of technology to master their world and adapt to new surroundings. These people were not much different than us!

Water Cycle Skits in 4th Grade Science.

We are studying the water cycle in class and the students created skits to show what role key parts played (sun, precipitation, groundwater, runoff, clouds, water vapor/evaporation, condensation, lakes, and glaciers).

Each student read a description of their part and worked with their group to go through the whole process in order.

GOD BLESS OUR VETERANS

MESSAGE FROM THE SCHOOL NURSE

Concussions are frequently in the news these days. The increased attention to this condition has made coaches, healthcare workers and parents more aware of signs and symptoms of concussions in children. I am going to share a few facts regarding concussions in the next few weeks.

Symptoms may be immediate, or may develop over time.

Helmets are effective for preventing skull fractures and some more serious brain injuries, but have not been shown to be effective at preventing concussions.

Children, especially adolescents and young teenagers, may require longer recovery times and a more careful treatment than adults.

COMMUNITY SERVICE UPDATES

Clothing Drives Start November 1

Start saving your gently used clothing items for two clothing drives that will start next week.

Winter Coats

The parish and school will be collecting coats (adult and children sizes) for the annual winter coat drive that benefits St. Vincent de Paul. Coats can be dropped off at school or in the parish lobby beginning November 1.

Children's Clothing

We are once again collecting gently-used clothing and shoes (ages newborn - 12 years) to benefit Cincinnati Children's Hospital. A bin will be in the school lobby. Clothing can also be left at 1427 Herschel Avenue (look for a bin on the porch). Clothing for the upcoming cold season is needed but we will also accept summer clothing. Please consider donating as you clean out your closets.

Service Committee Volunteers Needed

We have several positions open to serve on the service committee:

- School and Parish Coordinator: this committee member will ensure that the service efforts for the school and parish are connected.
- Project Leaders: several positions available to lead projects throughout the year.

Minimal time commitment required. Please consider joining a fun committee dedicated to bringing the importance of service to students while making a difference in the community at the same time.

Please contact Bridget Castellini_bcastellini@yahoo.com to learn more.

PTO NEWS

Register for Fall Enrichments

[Kidz Home Alone](#) - **November 7** and **November 14**. Students in grades 4-6 will learn about the responsibilities of being home alone, covering topics such as First Aid, Self-Heimlich maneuver, reasons to call 911, fire escape and much more.

[Young Rembrandts](#) - **November 3 - December 15** (registration deadline is **November 1**). Students in grades K-6 will experience the colorful magic of fall through this enriching drawing class.

FINE ARTS

Photography Contest

On October 24, we kicked off our annual photography contest for grades 6-8. Students enjoyed an introductory photography workshop provided by accomplished photographer Brian Steege ([Click Here](#)). This year's judging panel, consisting of Brian, Cardinal Pacelli teachers and Father Ed Smith, will award best photo winners in four categories. [Click here for complete rules and category descriptions.](#)

Guest Artist Workshop

Accomplished Brooklyn/Philadelphia artist Chanel Kennebrew held a two-hour workshop last Thursday for grades 6-8. Ms. Kennebrew is a contributing prop stylist for InStyle Magazine, People StyleWatch Magazine, Travel + Leisure and others. Her mixed media artwork is currently being exhibited at the Pyramid Hill Sculpture Park and Museum in Hamilton, OH. She helped guide our students through an interactive and hands-on art project where they dissected intended messages in the media and then remixed messages and images they found in print media. Creative and inspiring!

Cafeteria Concert Series

This Friday, October 28, we kick off our Cafeteria Concert Series with Pacelli parent David Heidelberg. You may have seen David with his instrumental rock band, Fronkensteen, playing around town. He'll be entertaining all grades with his distinctive talent on the accordion. What an enjoyable way for the students to begin their Halloween celebration! Thank you, David!
