

## SUMMER EDITION #2

Wednesday, July 27, 2016

Dear Parents,

Our final homeroom teacher has been hired and I would like to introduce her to you. Her name is Mrs. Meredith Rooney. She has had some interesting school placements like living and teaching in Hawaii for three and a half years. She and her husband moved to Cincinnati in June of 2012. She graduated from the University of Virginia in 2008 with a Master's degree in Elementary Education and a Bachelor's degree in Mathematics. Her teaching experience includes both public and private schools in Hawaii and Linden Grove School here in Cincinnati. She has much experience with differentiated instruction for both the struggling learner and those who need more challenges in both Math and Science. Some of you may recognize Meredith as she and her husband both were once parishioners at Christ the King for three years before moving last summer to the Madeira area.

According to a former principal, "Meredith has vast experience working with teachers as part of a collaborative team and has a gift of working with students to help them achieve their ultimate potential." During her years teaching, she has assumed additional responsibilities including IEP/ETR coordinator and Lead Teacher. She is also proficient in the use of Microsoft Excel, PowerPoint, and Word. She is very familiar with SMART Board technology, managing school websites, including photography, development and maintenance, CSS customization, content, and social media. "I have a passion for photography and hope to share this with my students." She is delighted to come back to Christ the King as teacher at Cardinal Pacelli. She is excited to be working here and continuing her friendship with both Fr. Ed and Fr. Frank!

Enjoy what is left of the summer. Only about 20 MORE DAYS UNTIL THE FUN BEGINS!!!!

Sincerely,

Mrs. Terri Cento
