

Summer Assignments

Dear Kindergarten Parents,

We want to welcome your child to first grade! We look forward to meeting them in August ! Each child will need to complete their summer assignments and return them to school the first week that we are back. This will help them to make a smooth transition into first grade!

1. Summer Solutions – level K- Common Core Mathematics
2. Summer Solutions- level K- Reading Comprehention

If you have any questions regarding these assignments, please feel free to email us !
