Cardinal Pacelli School's Mission

is committed to providing a nurturing environment focused on developing the spiritual, academic, and social abilities of each child. We work to instill positive morals and a sincere desire in our students to become lifelong learners and to better the community around them.

MESSAGE FROM THE PRINCIPAL

Dear Pacelli Families:

Students in grades 4-8 gathered in the gym for Cardinal Pacelli School's inaugural National Geographic Bee. Led by teachers Megan Peterson and Patrick Cosgrove, eight student finalists from grades 5-8, answered a variety of questions about world geography. It was a learning experience for all the students involved. The questions went beyond simple facts, prompting students to connect their prior knowledge with the study of geography. One question asked about the origin of the color indigo.

Another asked about the locations of lakes formed by glaciers. Congratulations to our winner, Braden S. grade 8!

CALLING ALL PACELLI PARENTS, ALUMNI, AND PARISHIONERS

Fr. Ed needs JuneFest chairs for the BIGGEST PARTY ever in June 2018! We receive much of our operating expenses from the proceeds of JuneFest. The template for the chairs has already been done and previous JuneFest chairs will also be willing to share ideas to assist in making this event a success. We need your **HELP**. So I am issuing an **SOS** for someone who really wants to be that integral part of the OLCTK/Pacelli family.

Traditionally, two couples have worked together and have shared the load. If you are interested, Fr. Ed will be eternally grateful and will say extra prayers for you. Please contact the Parish Office to throw your name into the ring!

Tuition Assistance Don't miss out on the wonderful opportunity to apply for tuition assistance through the Archdiocese of Cincinnati's Catholic Education Foundation program:
<http://catholicbestchoice.org/catholic-education-foundation/>

Our school website has also updated the information for you to make it easy to get answers and to apply. We are now in year two of the tuition assistance program. If you were awarded last year, you will need to re-apply. The assistance is only good for one year.

The deadline for applying for the AOC aid is January 31, 2017. You **MUST** apply for this program to be considered for the **Cardinal Pacelli's Education Fund**. I want to make sure that our families at Cardinal Pacelli School have all the information and details necessary to apply for this program to help with the cost of tuition at our school. Please [Click Here](#) to find more information on our website regarding tuition, fees and financial aid and how to apply.

Please keep Alice Bauman, our school crossing guard, in your prayers. Her husband passed away from cancer on Tuesday evening. In case you weren't aware, Alice is also battling cancer. She always has a smile for each of us and does her best to protect our children in the morning and afternoon by crossing them at Linwood and Ellison. She is always so thoughtful and kind to our children. We'll keep you informed as we receive more information.

Today, results of the High School Placement Test are being mailed to our eighth graders. They should be receiving their acceptance letters from the high schools based on these results sometime by the end of the week. Good luck to everyone!

Congratulations to the January Language Arts Award winners!

This weather has been very unpredictable these days! Currently we are at 62°. Please make sure that all of your contact information is correct in case we need to contact you for school delays, closings, and early releases if needed. Log in to your RenWeb account to make those changes and if you need to add or change a phone number to the One Call system, please contact Debbie Chapman chapman_d@cardinalpacelli.org.

Blessed and Warm Wishes for a Wonderful 2018!

FROM THE SCHOOL NURSE

Happy New Year to all! 

All parents of 5th, 6th, and 7th graders should be receiving an informative *Postural Screening Program* letter in their child's backpack this week. The purpose of this screening is to recognize any spinal problem as early as possible, so that the need for treatment can be determined. If your child is currently being treated for a postural problem, or if you object to this screening, please let me know as soon as possible. As always, please contact me with any questions or concerns.
