## MESSAGE FROM THE PRINCIPAL

Dear Pacelli Families and Friends,

Happy Valentine's Day and welcome to the season of Lent.

Today we worshiped together at mass for Ash Wednesday and the children all received ashes. Fr. Ed also visited the classrooms and gave ashes to our little ones in Pre-School and Pre-Kindergarten. A question that a little one had was, "Are the ashes hot?" How sweet an observation as we begin the Lenten season.

Beginning on Ash Wednesday, Lent begins the season in the church to reflect and prepare for the celebration of Easter. Christians try to replicate Jesus Christ's sacrifice and withdrawal into the desert for 40 days, thus the observance of the 40 days of Lent. During Lent we can fast from both food and festivities. People usually give up something that they enjoy and would find hard to do without, but it is also a good practice to do something positive and good during this period of time. Every Friday during Lent, the children can be "out of uniform" for \$1. At the end of Lent, the proceeds will be donated to St. Jude Children's Research Hospital. We will be giving brief descriptions over announcements on what this organization does and how helpful our donation can be for a sick child and their family.

Congratulations to the February Art Award winners!

### Spring Sports Registration Due Sunday, 2/18

Register by midnight 2/18 for Spring Sports. Greater Cincinnati Catholic Youth League requires our team rosters to be submitted by their deadline, so please be sure to sign up by 2/18 or your child will not be guaranteed a spot on a team.

The following sports are available for registration: Girls & Boys Baseball K-8th grade, Girls & Boys Cubs Soccer ages 3-6, Girls & Boys Soccer K-7th, Boys Tennis 6th-8th, and Boys Volleyball 6th-8th grade

### Panther Baseball Update

While T-Ball and Coach Pitch numbers are typically strong, historically registration numbers for baseball vary class to class and year to year. This variability makes it difficult to predict whether your child's Pacelli cohort will provide enough participants to field an entire team of 11-12 players. To mitigate the risk that Cardinal Pacelli cannot field a team- particularly in grades 3 and above- we will be pairing with St. Mary's Parish to provide as many recreational-level baseball team options as possible. The simple plan is to pool all registrants and form teams from both schools (similar to what is done in football) or multiple grades (similar to the model used in soccer) to provide a consistent, fun and convenient product for your child/family.

Regardless of which school sponsors the team, your child's baseball experience in terms of level of competition, the locations of the scheduled practices and games will remain the same. You will be signing up for a recreational baseball product, played at the neighborhood level.

Do not hesitate to contact me with any questions @ [mschwendy@yahoo.com](mailto:mschwendy@yahoo.com)
