The Cardinal Pacelli School of Our Lord Christ the King Church

The parish of Our Lord Christ the King was established in November 1926, with 132 Catholic families living within the parish boundaries. The letter authorizing Fr. Edward J. Quinn to form the parish coincided with the celebration of the first Feast of Christ the King established by Pope Pius XI. Therefore this was the first parish ever to be dedicated to Our Lord under the title of "King." The first Mass was said on December 5, 1926, in the Lin-Del Building at 3200 Linwood Road. In September 1927, a 4-room school building was built and opened with the Sisters of Notre Dame de Namur in charge. Enrollment was 108 students but by 1936, it was 202 students and a larger school building was planned.

On October 31, 1937, Eugenio Cardinal Pacelli, secretary of State to His Holiness Pope Pius XI, and a personal friend of the pastor, blessed the cornerstone for the new school. To honor the visit of the Cardinal, the new building was named The Cardinal Pacelli School. Cardinal Pacelli was elected pope on March 2, 1938, and took the name of Pope Pius XII.

In 1963, student enrollment was increasing and a second floor with eight classrooms and a principal's office was added to the school building. In 1971 the Sisters of Notre Dame de Namur, due to declining vocations and pressing needs in other ministries, found it necessary to end their relationship with the school.

In August, 1965, Fr. Quinn retired due to ill health. He continued in residence until his death on September 21, 1966, after nearly 39 years as pastor. Monsignor Edward J. Graham was pastor until 1975 when he retired. He was succeeded by Fr. Francis G. Lammeier until 1987 when Fr. Gerald Haemmerle became pastor. In January, 1997, Fr. Robert Obermeyer was appointed pastor.

In 1992, the parish began construction of its Parish Center which includes a gym, art room and meeting rooms and was designed to meet the needs of the over 1000 families who are members of the parish. The original school gym was remodeled into offices, a new school library and a computer lab. The Parish Center was finished and dedicated on August 18, 1993. As of October 2006 construction plans began for the reconfiguration of classrooms and the addition of a Science Lab. Funds for this project were raised through a grant as well as a capital campaign throughout the parish. At the completion of this project, the school now houses a new library, a new computer lab, a new science lab as well as a new art room. The Kindergarten was moved into new rooms and a nurse's office and conference room completed the reconfiguration.

Philosophy of Education

As a Catholic elementary school, Cardinal Pacelli School is dedicated to the Church's mission to proclaim the Word of Jesus Christ and translate this proclamation into action. Our goal is to integrate religious values and truths into daily life through our staff and our curriculum. We enter into an educational partnership with our students' parents to share their responsibility as the primary educators of their children. With religious education as our base, our program is built on three principles:

First, the best learning environment is one of love and trust. Children who feel loved and trusted will grow and learn. With appropriate structure and limits, students experience freedom of choice within clearly defined boundaries. They can express feelings openly and know that someone will listen and care. This is the school atmosphere for students and for staff members. Adults must set a good example in relationships between pastor, principal, parents and teachers. Teachers are treated with respect as competent and valued professionals.

Second, each child is an individual with particular needs. Children develop and learn at their own rate and in their own style. Personal intellectual, social, and emotional development requires that our program is flexible enough to accommodate all students. Basic skills are best developed in a logical, sequential pattern. In addition to basic skills, we seek to develop a challenging curriculum to prepare our students for future academic success. Academic excellence is valued and constantly pursued.

Third, open communication among students, school and home is essential. Parents and teachers are partners who work together to direct the child's educational development. Our program requires continual assessment of each student's needs, abilities, and progress. Communication between school staff and parents creates a more effective program and enhances the process of education.

All members of the school community must remain faithful to the basic values of Catholic education. As we live the gospel and create a loving, disciplined environment which views each child as a unique and valued individual, we fulfill our mission as a Catholic elementary school.

Curricular Design

Cardinal Pacelli School offers a strong, basic skills curriculum. Advanced classes in some areas along with individualized and group instruction provide a wide variety of learning techniques used to accommodate all student learning styles.

Kindergarten through First grade implement this design in a self-contained classroom setting. Grades two through four exchange some classes with their partner teacher. Beginning in grade five, students are organized in departmental programs which exchange classes in the major subject areas.

Religious Education

Religious education is the essence of Catholic schools. The aim of our Religion program is to prepare our students for Christian life and service to the community. Parents, the first and most important religious educators of their children, are aided by the school and parish to meet the responsibility of the religious and moral development of their family. All grades attend a weekly Mass and a monthly all-school Mass in addition to important observances of the church year.

Twice a year the sacrament of Reconciliation is provided for the students. There are special preparations for the sacrament of the Holy Eucharist for grade two and the sacrament of Confirmation for grades seven and eight. Parental encouragement for the reception of the sacraments is of prime importance to spiritual development. Non-Catholic children are expected to attend both religious and non-religious functions. Special programs are planned throughout the year for Advent, Catholic Schools Week, the Lenten/Easter season, and to honor Mary during the month of May.

Financial Support

Cardinal Pacelli School is the parish school for Our Lord Christ the King Church. Tuition is subsidized by the parish. Tuition charges cover approximately 50% of the cost of educating a student at Cardinal Pacelli School. The remaining is provided through the generous contribution of the parish.

Part Two - General Administration

Admissions Policy

Approved by the Education Commission: 2001

Cardinal Pacelli admits students of any race, sex, color, creed, national and ethnic origin, to all rights, privileges, programs, and activities generally accorded or made available to students at the parish school. It does not discriminate on the basis of race, color, creed, national and ethnic origin in administration of educational policies, admission policies, loan programs, athletic and other school ministered programs and in hiring teachers and other personnel.

Admission shall not be based solely on ability or achievement. However, our school may not have the educational facilities to meet the instructional needs of the mentally and physically impaired. Their admission will be determined on a case by case basis where special arrangements may be made between the parents and the school administration.

It may not be feasible to accommodate all children with special needs due to the structural design of the existing building and limited parish funding.

The registration of children with special needs will be reviewed annually between administration and parents prior to the acceptance of registration.

Parents and guardians must agree to accept this commitment and actively participate in providing for the Church's practices and teachings outside the school setting. *(Non-Catholic students are required to participate in Religion classes, religious celebrations and liturgies.)*

If, in the opinion of the administration, the partnership is irretrievably broken, the school reserves the right to require the parent to withdraw his or her child. This is a very serious decision that is not made lightly.

Non-Discrimination Policy: Cardinal Pacelli School admits students of both genders and of any race, color, racial or ethnic origin, to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. If parents are unable to pay tuition on this schedule, or, because of financial need, believe that they should be granted partial relief from tuition, they must make arrangements. Please contact the school office. Failure to pay tuition will be considered sufficient basis to dismiss children from Cardinal Pacelli School.

Attendance and Absence

Approved by the Education Commission: 2002

To achieve academic excellence, students need to attend classes regularly and punctually.

1. State attendance law requires all students to attend a minimum number of hours of instructional time per day = required number of hours for a full school year according the Archdiocese of Cincinnati and the Ohio Department of Education.

Excused absences include reasons of illness or a death in the family. Upon returning to school after an absence, the student must bring a note to the homeroom teacher giving the reason for the absence.

Excessive absenteeism (over twenty (20) days) may result in request for a doctor's note for all absences.

2. The parent or guardian must telephone the school office (321-1048) before 8:30 a.m. on the morning of the absence. If the office is not notified, a call will be made to assure the student's safety. Parents should contact the homeroom teacher by 10:30 a.m. via email if they want homework to be sent home that day.

3. A student should be kept out of class only for illness or other serious reasons. Parents must be discriminating in their decision to keep a student home from school as valuable class time is lost which often cannot be effectively made up. "Absences of convenience" are strongly discouraged because they express a devaluation of the importance of education. Student absences due to illness, doctor appointments, or death in the family are considered an excused absence. The faculty and staff will gladly help students with their missing work from an excused absence. Students will have the same number of days they were excused to make up any work.

4. Student absences due to vacation trips are considered an unexcused absence. Students and parents assume full responsibility for the work missed during an unexcused absence. Teachers are not required, nor will they, prepare and provide in advance homework assignments for a student prior to an unexcused absence. They are also not responsible to review/re-teach material discussed/presented during the time of the unexcused absence.

5. In grades K-4 the teacher will have the missed assignments for the students when they return.

6. In grades 5-8, it is the responsibility of the student to get all of their work from a friend/other student in their class. All missing/graded work will be required to be made up by the student within 5 days of their return. Any tests and/or quizzes that were assigned prior to the student's departure will be required to be taken the day the student returns to school.

Any tests/quizzes assigned during their absence will be scheduled at the discretion of the teacher. Students are encouraged to call a friend and/or check their teacher's web page for homework. Please note that classroom work is NOT listed on the web pages; therefore, it is the responsibility of the student to get this classroom work.

7. If a child has had a communicable disease, written notice of the disease must be submitted to the office on the child's return.
8. Notes must be sent to the teacher prior to an appointment stating that the student is to be released from school at a specific time.
9. When students return to school after an absence, they **MUST** hand in a note stating the days missed and the reason. These notes are sent to the office.

The parent(s) or guardian must sign the student "**out**" at the school office. A tardy or ½ day absence will be assigned depending upon the length of time the student is out of the building.

Parents and guardians are strongly encouraged to avoid making appointments which will interrupt the school day.

10. Parent(s) or guardians must send written notification of the reason why a student cannot attend physical education class. If a long absence from this class is necessary, the State of Ohio requires a doctor's verification of the reason and duration of the absence.

11. If a student is absent for one-third of the grading period, the teacher may hold the progress report until the required work is completed.

12. No student may leave the school premises at any time during school hours without the permission of the principal.

Tardiness

Approved by the Education Commission: 2002

1. The school day officially begins at 7:50 am and students are expected to be present in the Gym at this time. Students should not arrive before 7:30 am as there is no adult supervision available until the Gym is opened at 7:30 am.
2. **A student who arrives later than 7:50 a.m. will be marked tardy.** A tardy student must come to the office to obtain a tardy slip for admittance to the classroom. Students arriving to school late because of a scheduled appointment or sickness, must be signed in by the parent.

Homework Policy

A reasonable amount of homework may be given which will take into consideration the student's age, their level of achievement, and the type of assignment. Homework assignments may supplement class work, may require independent review of class work, or may provide the opportunity to use research skills. Students must turn assignments in on time. Late or missing assignments are penalized at the discretion of the teacher. Make-up work may be assigned, particularly after a long absence.

Ordinarily, homework is not assigned on holidays or over weekends but this is left to the discretion and needs of the teacher. The time necessary to do homework will vary with grade level, the type of assignment given, and the student's rate of working. If your child seems to spend an excessive amount of time on homework or claims to have no homework, parents or guardians should request a conference with the teacher to clarify the situation.

If a child is absent homework may be requested by emailing the homeroom teacher by 10:00 am and indicating how he/she would like to the assignments to be sent home (with another student, a sibling, or picked up in the office by the parent).

Guidelines for homework assignments are:

- Grades 1-2 Optional, not to exceed 20 minutes
- Grades 3-4 Approximately 30-45 minutes
- Grades 5-6 Approximately one hour
- Grades 7-8 Average of two 2 hours

Textbooks

Students are provided the use of hardcover textbooks without a rental fee. It is the responsibility of the student and parents to purchase a replacement book if a textbook is lost or defaced. All hardcover textbooks must be covered at all times.

Consumable books and workbooks used by the student are the responsibility of the student and parents who must purchase a replacement book for any that are lost or defaced.

School Supplies

A list of school supplies required for class is posted on the website and sent home through *The Pacelli Post*. Students are expected to have the required supplies for their grade level. PTO sponsors a supply order program for those who wish to participate.

Progress Reports

Student progress is determined by several methods which include: daily assignments, class participation and involvement, personal effort, homework, special project assignments, tests, and quizzes. Parents and guardians are encouraged to stay in contact with teachers. Cardinal Pacelli School is on a trimester system and report cards are issued three times a year. An explanation of the grading system can be found on the report card. Online grades are available for grades 5-8 through Headmaster. This system allows parents to access a student's grades at any time. Formal interim reports will not be sent home as grades are constantly available to parents online. Interims for students in grades Kindergarten – 4th are sent home mid-way through each 12-week trimester, approximately six weeks. Only deficiencies are sent home in the second and third trimester. Parents are encouraged to use these opportunities to discuss their child's progress and to initiate additional contact with the teachers if they feel it is needed.

Creating Class Lists

Classlists are formed by the teachers after taking into consideration many variables. Parents cannot request a teacher for their child(ren). The Principal reviews the lists and assigns the teachers to each homeroom.

Promotion and Retention Policies

Approved by the Education Commission: 1991-1992

Progress through the elementary grades is a combination of achievement in mastering certain basic skills as well as age, maturation and social development. The student must

demonstrate competency in meeting subject area objectives as stated in the Archdiocese of Cincinnati's Graded Course of Study for all subject areas.

The teachers and principal will consider the following in making promotion decisions:

- the student's cumulative average in reading, math, science, language arts and social studies;
- the work habits and organizational skills of the student;
- the development of basic skills in reading, math and writing; and
- the social and physical development of the student.

Fundamental skills are acquired in the primary grades. Promotion and retention in the primary grades will be the teacher's decision with the approval of the principal, based primarily on reading and math ability and social development.

Promotion and retention in grades four through eight will depend on overall scholastic achievement. Failure in three major subject areas could result in retention. Graduation requirements are successful completion of required course work, conduct which is acceptable for Cardinal Pacelli students in keeping with the guidelines set for our school, regular participation in classes, and good school attendance.

Conferences will take place with the parents or guardians early in the year so that school and home may work together in helping the student experience greater success. A decision to retain a student will not take place until all aspects of the student's academic, physical and social development have been considered and additional options such as testing, summer school and tutoring are considered. Parents or guardians will be part of the decision making process and the decision will be made as early as possible. The teacher will discuss the possibility of retention with the school principal.

Withdrawal and Transfer of Students

Early notification of student withdrawal or transfer should be given to the school office and to the classroom teacher. A minimum of one week's notice is necessary. Hard cover textbooks are the property of the school but the student may take workbooks and their report card with them. Academic records are sent to the new school upon receiving a request for school records.

Library

All students have access to the school library when it is open. Library rules for checking out books, behavior in the library, the use of reference materials and student responsibility for lost or overdue books are explained at the start of each school year. Students are expected to follow these rules and to behave with courtesy and respect when using the library.

Library Books:

- Students are encouraged to check out library books on a weekly basis.
- Due dates are stamped on the date due card and books should be returned on that day. Books may be renewed unless there is a waiting list for that book.

- Overdue books: fines are 5 cents per day. There is no fine if the student is absent on the due date but the book must be returned on the first day the student returns to school.
- It is the responsibility of the student and the parents to pay the replacement fee for lost or defaced books. Consult the librarian for the necessary fee.
- Report cards will be held at the end of the school year if books are not returned or paid for.

Academic Achievement

Approved by the Education Commission: 1999

CRITERIA

Only subjects which receive a letter grade will be used to determine honors awards. Honors will not be awarded to a student with a grade of C, D, or F in any subject. The following point system will determine honors:

- AWARDS:
 - Straight A honors - All grades are A- or above
 - A-B honors - All grades are B- or above

Standardized Testing Program

The Iowa Test of Basic Skills (ITBS which measures student achievement) and the Cognitive Abilities Test (CogAt- which measures students' ability to reason and solve various types of problems) is administered to grades 2 and 7. All testing is given in the spring. When test dates are announced, parents are asked to have students well-rested and in attendance.

The Assessment of Catholic Religious Education (ACRE) is an integrated, multi-level assessment instrument designed to assist school, parish and diocesan leaders to evaluate the effectiveness of their religious education and catechetical programs. This test is administered to grades 5 and 8.

Math Grouping Policy in Grades 6 through 8

Approved by the Education Commission: 2009

During the third trimester of the 5th, 6th and 7th grades, a test will be administered for use as a criterion in decisions about student placement into math groups. Additional criteria in these decisions can include previous math grades, standardized testing, classroom performance and effort. The placement of a student in a specific group is not final and can be revisited to insure the best placement for the achievement of each individual.

Physical Education Program

All students (grades K-8) participate in the physical education program. Gym clothes are sold through Lands End. Gym clothes are required for grades 3-8 in the Physical Education class. Gym clothes should be marked with the student's name. Students are informed of gym clothing needs and given instructions for changing clothes by the physical education

teacher.

PART THREE

Student Health, Safety, Activities, and Code of Conduct and Courtesy

Visitors

All persons, without exception (parents, guardians, volunteers, delivery persons, etc.) must enter through the front door and upon entering the school building must check in first at the school office and obtain a badge to wear during their school visit. This process facilitates security. All visitors to the classrooms must be approved by the teacher and principal.

Emergency Closing of School

Anytime school needs to be closed due to weather or other uncontrollable conditions, we will contact you by: One Call, the automated school phone system, our school website, and will be posted on Channel 5 and Channel 12 - listed as Cardinal Pacelli School.

In inclement weather, the students will never be marked tardy. Please drive carefully and with caution. Use your discretion as to safety.

We will EITHER CANCEL SCHOOL OR HAVE A TWO HOUR DELAY which is a **9:50 START TIME**.

If we have a two hour delay, there will be no morning Kindergarten or no morning Pre-K. If there is a delay, do not drop your children off early. We cannot guarantee that the staff will be in the building.

If Forest Hills is on a delay and our school is on a regular schedule, parents whose children use these bus services can provide their own transportation to school or wait for the delayed buses to pick their children up. Our students WILL NOT be marked tardy.

If Cincinnati Public or Forest Hills cancels school, and our school is still in session, parents whose children use these bus services need to provide their own transportation.

If school is in session and we need to close school early, the automated phone system will be used and will dial both cell and home numbers. Email messages will also be sent and, in addition, the information will be posted on our website.

Shelter in Place Emergency

Shelter in Place is a safety procedure designed to help protect the staff and students at our school during a serious airborne hazardous material emergency. It means taking shelter inside the school until the danger has passed.

The goal of the Shelter in Place is to prevent contaminated outside air from entering the school for the duration of the incident. Incidents usually last a few hours, not days or weeks. It is important to keep students in school during a hazardous material emergency. During this time no student will be allowed to leave the building nor will anyone be allowed to enter.

If this situation should arise, you will be notified by C-Notify or through channels 12 and 5 and the affiliated radio stations.

Emergency Lock Down

A Lock Down would occur if there is immediate danger outside the school building or if an intruder has entered. During this time all students are locked in their classrooms and no one is allowed to leave or enter the building.

Health Care Regulations - Illness at School

State law mandates that new students entering a certified Ohio school must have a medical report and an immunization record on file at the school. There must be a physician's signature on the medical history. Forms are issued from the school office and detail what immunizations are required for school. For parents/guardians objecting to vaccination of their child for a good cause, an "Immunization Waiver" form is available from the nurse. Parents/guardians must indicate if the reason is: religious, medical, or good cause. Medical cause must be accompanied by a physician statement. TB testing is a requirement for any student coming from outside the USA. A student may not attend school if proper medical records are not in their school file within 10 days after the start of school. A dental report is advised but not required by law.

Health Services

During the school year vision and hearing screenings are performed for students in grades K, 1, 3, 5 and vision screening only for Grade 7. Teachers may also refer students. Please notify the school office if you want your child to be tested if they are not in these grades. Postural screening is done for students in grades 6, 7, and 8. Students are involved in health classes, and programs on drug and alcohol abuse, sex respect, nutrition and dental care.

Illness at School

If a student becomes ill during school, the office will contact the parent/guardian stated on the emergency card. In the event that a parent/guardian cannot be reached, the school administration will seek emergency care if deemed necessary. The student's parent/guardians will be liable for any expenses incurred.

All students are picked up and signed out at the school office. Persons appointed by the parents to pick up a student must be properly identified to the satisfaction of the school office.

Students must be fever free (100 degrees or below) for 24 hours without the use of medication, no vomiting or watery diarrhea for 24 hours prior to returning to school.

Cardinal Pacelli School Medication Policy

When it is necessary to administer medication, the following guidelines, taken from the Ohio Nurses' Association Guidelines, are to be followed:

- All school personnel must be informed that the administration of any drug (prescription or over-the-counter) without the order of the physician and permission of the parent/guardian could be interpreted as practicing medicine, and is prohibited by law.
- The principal shall appoint a responsible person or persons for storing and administering medication in the absence of the school nurse. All medication should be kept in a locked cabinet.
- Written requests must be obtained from the physician and the parent/guardian before any medication is to be administered by school personnel. The request must include instructions as to name of medication, dosage, time, duration of medication, and side effects. A faxed copy may be accepted with a request for a hard copy to follow.
- Medications must be in original containers and have an affixed label including the name of the student, name of the medication, dosage, route of administration, and time of administration.
- New request forms must be submitted each school year and as necessary for changes in medication orders.
- It is advised that the medication and the signed permission form be brought to school by the parent/guardian.
- The school nurse is responsible for monitoring medications administered by school personnel. This responsibility includes providing specific instructions pertinent to the medication.
- Accurate records of the medication given must be kept on file and with the student's health record.

Summary of inhaler law (Am. Sub. H.B. 121) and epinephrine autoinjector law (ORC 3313.718):

These laws permit a student to carry asthma inhalers and epi-autoinjectors with consent of the physician and parent/guardian. In addition, the bills grant immunity to school districts, community schools, and chartered non-public schools, and their employees for good faith actions in connection with this permission.

Children with Special Medical Needs

It is the parent/guardian's responsibility to include any information pertaining to the special medical needs of their child(ren) on the school medical forms.

Parents/guardians are asked to make a special effort to see that teachers are told of the child's condition and what the teacher is to do in case of an emergency.

Accidents at School

Student or staff accidents on the playground, in school and/or parish buildings must be reported to the school office. In most cases, an accident report will be filled out and placed on file. The student's parents/guardians are notified of the accident.

AIDS

Archdiocesan policy stipulates that, "Each instance of AIDS involving a student or an employee shall be treated as a strictly confidential and individual matter. Decisions

regarding such occurrences shall take into account Christian concern and compassion, community health and well being and individual privacy and needs.” State law does not require parents/guardians to divulge that their child is infected with the HIV virus. Employees of the parish and/or school are not required to divulge such information about themselves. The Diocesan Handbook includes administrative procedures for students or employees with AIDS.

Policy for Handling of Blood & Body Fluids in School

Blood and other body fluids may harbor a number of organisms besides HIV that are potentially infectious to others. The following simple precautions contain the necessary elements for handling spills of any body fluids (blood, saliva, semen, vaginal secretions, and vomit).

The use of barrier precautions prevents direct skin or mucous membrane contact with body fluids that are visibly contaminated. Following these precautions will protect against any harmful infectious organisms.

- Wear impermeable gloves.
- Remove visible waste with absorbent disposable towels.
- Hard surfaces soiled with blood, urine, semen, feces, vomitus, etc., should be thoroughly cleaned with soap and water, then disinfect with an EPA approved disinfectant or a solution of bleach and water *(1/4 cup bleach per gallon of water). This solution should be freshly prepared for each use.
- Rugs or carpets should be cleaned with sanitary absorbent agent according to directions.
- Mops should be cleaned in disinfectant solution.
- Place towels and gloves in a plastic bag and dispose of as normal trash.
- Wash hands with soap and water, or use gel hand sanitizer after removing gloves.

*If bleach is unavailable, other common products can be used for disinfection, such as peroxide (1 part peroxide to 1 part water) or rubbing alcohol (full strength).

For an injury that results in bleeding, such as nosebleeds, menstrual accidents, etc.), the person assisting the child should wear gloves whenever possible. Direct contact with blood is potentially infectious when there are breaks in the skin, as in chapping or eczema conditions. Proper hand washing significantly reduces the risk of infection from contact with all potentially infectious body fluids, whether gloves are worn or not.

Food Allergy Policy

Food allergies can be life threatening. Because these are becoming more common and severe, a Food Allergy Policy is in place at Cardinal Pacelli School. Please see the complete policy under Nurse's website forms. Summary of parent responsibility:

- Parents will notify the school of the food allergy on the Emergency Medication Form.
- Work with the school to develop a plan, filling out the "Family Food Allergy Health History Form".
- The child's physician fills out the Food Allergy Action Plan, and both physician and parent sign this form.
- Provide EpiPen and /or antihistamine medication to school if needed.
- Inform bus service of the plan, if appropriate.
- Educate your child in the self-management of his/her food allergy.
- A "peanut free" table will be designated in the cafeteria for those students who prefer to sit away from students who may possibly bring peanut products in their lunch. They may bring a friend to sit with them provided their lunch is peanut free.

CHILD PROTECTION POLICY

- All suspected instances of child abuse or neglect shall be reported by the principal to a designated governmental agency for investigation and action as may be appropriate. Procedures for reporting such instances and information relevant to identifying victims shall be made available to all certified personnel and school employees.

- If the alleged child abuser is a member of the extended school staff, all such incidents shall be reported to the archdiocesan authorities as well. This report shall be made to the Archdiocesan Director of Educational Services, or his designee. If the individual is a cleric or religious, the Director for Educational Services shall notify the Chancellor and/or religious superior.

Discipline Guidelines

Discipline is fundamental to a successful life and essential in the educational setting. The faculty and administration of Cardinal Pacelli School expect excellent behavior from all students. Rules in the classrooms, halls, restrooms, cafeteria, and playground are designed to insure a safe and educational school day. Violence, threats of violence and simulations of violence will be taken as serious violations of the discipline and safety policies of the school. In all aspects of discipline, our goal is to act in a Christian manner characterized by fairness and compassion.

Teachers will explain school regulations to the students at the start of the school year. In addition, each teacher may have rules specific to the operation of their classroom. These classroom rules will be as uniform as possible and approved by the principal.

Students' best behavior is manifested in an atmosphere of mutual respect and trust. School goals will emphasize this positive approach to discipline. These expectations in behavior fall into the following categories:

The child will be:

- polite, courteous, friendly;
- kind and thoughtful of others;
- considerate of other's feelings;
- independent;
- responsible and honest; and
- giving and generous of him/her self.

The child will have:

- self-control;
- a good self-image and self-respect; and
- a positive value system.

The child will demonstrate:

- pride in home, school, and community;
- an ability to make appropriate personal decisions; and
- reverence to self, to other children, to teachers, and to the Church.

Parents, guardians and teachers are expected to work together to develop in students a positive attitude toward cooperation.

Code of Courtesy and Conduct

Respect for Self

I will show respect and participate at all religious services.

I will behave appropriately at all school assemblies.
I will take initiative to stand up for what I know is right.
I will show my self-worth by taking pride in my appearance, being well-groomed and in proper uniform.
I will arrive at school and classes prepared and on time.
I will reflect Cardinal Pacelli School pride both in and out of school.

Awareness of Others

I will show respect for all adults and all students by the way I speak, listen, and respond to them.
I will use polite language at all times and I will make such words as *Please, Thank you, and Excuse Me*, a part of my daily vocabulary.
I will keep the volume of my voice under control and at an appropriate level.
I will follow all classroom, library, cafeteria and playground rules, and all instructions of the adults in charge.
I will walk in a quiet and orderly manner in line, in hallways and between buildings.
I will remain in assigned areas unless given permission to leave.
I will hold doors open for others.
I will knock on the door and wait before entering a classroom.
I will keep my hands to myself and not push, shove, or do any action that may cause injury to others.

Respect for Property

I will show respect for all school property by handling textbooks in a careful manner and conserving supplies.
I will take care that our school's facilities and desks are kept orderly and undamaged.
I will respect the property of others, just as I expect others to respect my personal property.

Positive choices in behavior will result in:

Positive feelings of self-esteem and self-worth; and
Personal contribution to our school community.

The Catholic Church and this Catholic school recognize parents as the primary educators of their children. The education of students at our school is a partnership between parents and the school. If, in the opinion of the administration, the partnership is irretrievably broken, the school reserves the right to require the parent to withdraw his or her child. This is a very serious decision that is not made lightly.

Cardinal Pacelli School Code of Discipline

Approved by the Education Commission: 2001

Detentions will be issued by any teacher for:

- Disruptive talking;
- Excessive tardiness;
- Inappropriate behavior;
- Repeatedly being out of uniform;
- Chewing gum or eating without permission;

- Repeatedly not having gym clothes;
- Being defiant and disregarding an instruction from teachers and/or staff at CPS; and/or
- Consistently being unprepared for class

The detention period is 45 minutes after school until 3:30 and will be served each Wednesday.

The principal is the final arbiter in all disciplinary situations and may waive any disciplinary rule for just cause at his/her discretion. Some actions may warrant a suspension or expulsion.

A reprimand for willful and/or repeated violations of school or classroom regulations will be the responsibility of the classroom teacher.

Each teacher, or group of teachers, will establish and enforce both classroom rules and the discipline guidelines for the school. In the event that a student's behavior does not conform to school regulations, or a student exhibits conduct unbecoming to or inappropriate for a Christian student, the teacher will refer the student to the principal who may initiate a Two Step Disciplinary Procedure: (Education Commission Approved Policy)

A student may become involved in the Step Program for:

- Disrespect to a student, teacher or staff member
- Destruction of property
- Fighting
- Carrying or possessing legal or illegal drugs. Prescription and non-prescription drugs or medications must be kept in original containers and locked in the school office.
- Narcotics and tobacco products, alcoholic beverages, explosives, or weapons (firearms and knives of any kind (including pocket and hunting knives) may not be carried to or on the school premises at any time.

Student Property Inspection

School administrators may inspect any student's property at any time for any reason without prior notice. This property includes, but is not limited to, desks, computers and lockers (cubbies). Additionally, any personal items are subject to inspection at anytime and for any reason, without prior notice, as a condition of bringing them onto or taking them from the school's premises. Such items include but are not limited to packages, lunch boxes or lunch bags, containers, backpacks, duffel bags, book bags, briefcases, purses and pockets. An inspection does not imply wrongdoing by the student being inspected. A student and his or her parent/guardian's consent to inspection of personal items is a condition of enrollment and attendance at the school. Refusal to consent may result in disciplinary action, up to and including expulsion, even for a first refusal.

Two Step Program (for all grades)

The step program is used when the offense is considered seriously inappropriate. The step program is administered by the principal only.

Step One A conference is scheduled with the principal, teacher, student, and parents/guardians. The student proposes a plan to prevent this offense from happening again. A contract is formed with the parents, the student, the teachers and the principal. This action may or may not include a suspension.

Step Two - Same as Step One This action may include suspension or expulsion. For serious offenses, the principal in his or her sole discretion, may bypass the Step Program and proceed to enforce other forms of disciplinary action including suspension or expulsion.

Sports Eligibility

Sports are sponsored by the parish and questions regarding student participation should be directed to the Athletic Commission which is overseen by the pastor.

- Bringing play equipment from home is discouraged.

TRAFFIC FLOW SAFETY

Because our school is on a hill, we have unique traffic flow problems. Driving across the playground creates a traffic hazard and the potential for serious accidents. Please avoid driving onto the playground during school hours. If it is necessary, drive at 5 mph and be alert. The driveway is closed between 7:30 & 7:50.

ARRIVAL – **Buses** will enter up the hill and drop off students at the side entrance by the soccer field. **Cars** must drop students off on Ellison Avenue at the bottom of the hill.

Crossing guards are there to facilitate the safe arrival of students. Children are to enter and leave cars on the curb side only. Students remain in the gym until 7:50 a.m. They will be supervised by an adult beginning at 7:30 a.m.

DISMISSAL – Dismissal for kindergarten students is at 11:50 a.m. and 2:30 p.m. Dismissal for all bus students is 2:30 p.m. Students who are car riders are dismissed at 2:35 in the back of school only. Parents who pick their children up by car should arrive no later than 2:25.

Parents must exercise **extreme** caution on Ellison Avenue during dismissal:

- respect the no parking signs, observe state laws and allow buses the right of way, and be alert to the crossing guards at the crosswalks. Drive carefully to avoid accidents during dismissal.

Dismissal for Preschool: Pre-K has drop off/pickup at the double doors of the parish center. Preschool has drop off at the double doors of the parish center and pick up is at the doors closest to the gym.

Fire and Tornado Drills

These important safety drills are held at the intervals required by law. It is essential that everyone follow directions promptly and silently as soon as the first signal is given. Directions are posted in each room and explanations are given to the students at the start of the school year. Adults who are in the school building should follow the directions posted in their location.

Educational Trips

Field trips are designed by the teachers to be an extension of the classroom curriculum. They are recognized as an integral part of a sound educational program. Despite the value of such an excursion, students do not have a "right" to participate in a field trip. Field trips are considered to be a privilege. Any student not following the code of conduct and discipline policies of the school may be asked not to participate. Appropriate classroom behavior, field trip behavior and a signed permission slip are all necessary to accompany a class on an outing.

The number and extent of field trips are determined by the teachers and are designed to flow from the learning experiences in the classroom. Room parents are asked to help with making the arrangements and obtaining chaperones and transportation. Students may travel by chartered bus or private car to an event. Permission slips which include time, place, and mode of transportation will be sent home prior to the trip. On the bottom of each will be a request for permission to take the student on the trip.

NO STUDENT WILL BE PERMITTED TO GO ON A FIELD TRIP WITHOUT THE WRITTEN CONSENT OF A PARENT OR GUARDIAN. Verbal or email consent is not acceptable.

Before an adult volunteer may use a private car to drive students on a field trip the following requirements must be met:

- Each driver must be properly licensed and insured and their vehicle must be equipped with safety belts for all passengers.
- Each driver will receive a list of the students in their car.

In case of an accident, the driver must:

- see to the physical safety of each passenger;
- seek emergency health care;
- notify the police;
- notify the principal; and
- notify the parents.

Extracurricular Activities

Cardinal Pacelli School has many "after school" and other activities for students throughout the school year. These include athletic activities, team practices and games, scouting, servers, fine arts clubs, choir, band, enrichment classes and other interests. Because these groups carry the name of Cardinal Pacelli School, student and adult participants are expected to display the high standards of the school they represent.

Students must be in good academic standing to represent Cardinal Pacelli School in extracurricular events. Parents should notify the homeroom teacher if their child is staying after school for an activity. Parents are expected to know who will supervise their children and to instruct their children to remain with the adult supervisor of the after school activity at all times. The adult supervisor is responsible for the safety of students.

The school assumes no supervisory responsibility for participants after school hours. Students should never be on school property including the gym without adult supervision. Parents must pick up their child(ren) promptly from after school events.

It is the responsibility of the adult supervisor of after school activities to leave the meeting room and area as clean and orderly as it was before the activity. Trash is to be collected and emptied, the lights turned out and doors and windows locked.

Alcohol Policy: Alcoholic drinks may not be served or be on school premises during any school-sponsored event which includes the participation of Cardinal Pacelli School students.

Boy-Girl Party Policy: Boy-girl parties are strongly discouraged for students in grades five and six. We ask for parents' and guardians' cooperation with this policy.

As an introduction to boy-girl social events, Cardinal Pacelli School will sponsor one or two evening parties for seventh and eighth grade students each year. Teachers and parents will chaperone these parties and all students are invited. School and parish facilities are not available for any private parties for elementary school students.

Lost and Found - Forgotten Items

Clothing and personal items (uniforms, jackets, lunch boxes, etc.) must be clearly marked with the student's name. An effort can then be made to return lost items to the owner. A Lost

and Found is located in the cafeteria and articles are displayed in the hallway at the end of each semester. Unclaimed articles are given to the CPS Uniform Exchange or to the Free Store.

In an attempt to encourage the development of a sense of responsibility, we ask that many items which are "forgotten" and left at home should remain at home. If it is absolutely necessary that a forgotten item be brought to school, mark the item with the student's name and leave it in the school office. Do not take the item to the classrooms.

Cafeteria and Lunch Program

Hot lunch is available each school day. Milk comes with the lunch and is also available to buy separately. Milk cost cannot be deducted from the price of the lunch. Students can order daily or for a week at a time. Lunches can be paid for by cash or check. Checks are to be made out to **Lunch r Us**.

Bringing in pizza or other foods to the cafeteria to celebrate birthdays etc. for the class is not permitted.

Part Four **Home and School Communication**

THE PACELLI POST and THE WHITE ENVELOPE

All school wide communication, notices, and other information are sent to all known email addresses provided by enrolled families. The school's weekly newsletter, *The Pacelli Post*, is emailed every Wednesday and is the primary means of communication between the school and families. The newsletter includes news of school happenings, items of academic and personal interest, important calendar or event changes, links to online school resources and news, and needs from various school organizations. Additionally, each Wednesday the White Envelope will be sent home with the youngest or only student in the family with important correspondence. Any item needed to be returned to school the next day should be placed in the White envelope. Failure to return envelopes will interrupt the home/school communication process. If the envelope is lost, inform the school office and a replacement can be purchased.

CONTACTING TEACHERS

All teachers may be contacted through the email addresses listed on the website's Staff page.

BACK-TO-SCHOOL NIGHT

This annual event is held during the first month of school. It is designed to give parents the opportunity to meet teachers, visit classrooms and learn from teachers the policies, procedures, and curriculum for the coming year. A school open house will be planned during Catholic Schools Week.

EMERGENCY CARD - CHANGE OF ADDRESS and PHONE NUMBER

Please inform the school office immediately of any change of address and phone number, place of employment or change in any information which is included on the student's emergency card. It is essential that emergency card information is always current.

PARENT-TEACHER CONFERENCES

Parents are urged to confer with their child(ren)'s teacher(s) on a regular basis, particularly if they receive notice of academic deficiencies or conduct problems. Frequent communication is very important to gain the best results from the education process.

Parents are asked to communicate with the teacher to schedule a conference. Drop-in visits are much less productive as the teacher and/or principal may not be able to give parents total attention and complete information without preparation.

Parent Teacher Conferences are planned in the fall at the end of the first trimester grading period. All parents are encouraged to schedule a conference time.

Parent-Teacher-School Communication

The best educational atmosphere is one in which parent, teacher, school, and church work as complements to one another. The commitment of the faculty and administration is to work in a constructive, professional manner for the education of our students.

Lines of communication between all members of our educational community need to be open and direct and operate best when handled swiftly and confidentially.

Teachers can be available after school to meet with parents. Parents are asked to schedule appointments in advance with the teachers by contacting them via e-mail. Teacher's private phone numbers will not be given out from the school office.

Student concerns should be addressed to the classroom teacher first, before approaching the principal.

Grievance Procedure

Scheduled conferences are encouraged as the best means to ensure effective communications between parents and teachers. As with any communication process, misunderstanding is possible. Should this occur, the following procedure must be observed:

First - attempt to handle the problem at the level at which it has occurred. For example: a parent or guardian with a disagreement or misunderstanding with a teacher should first talk with the teacher.

Second - if agreement is not reached at the first level of conversation, contact the principal. The principal is obliged to hear the concerns from all parties, investigate, and then notify all parties of the results of the investigation.

Third - if the second level result is not satisfactory to the parties concerned, the pastor and the staffs of the Catholic Schools Office may be consulted.

Cardinal Pacelli Advisory Committee

The Cardinal Pacelli Advisory Committee is a group of individuals who serve on a voluntary basis to advise and consult with the principal and pastor on the operation of our school and to recommend policies. The commission meets each month except in December, June and July.

Questions about school policy should be directed to the principal first. Any changes to school policy are made through the principal with the approval of the Cardinal Pacelli Advisory Committee.

Individual instruction, disciplinary issues and personnel are **not** the responsibility of the Cardinal Pacelli Advisory Committee. Such concerns should be addressed as written in the grievance procedure steps #1- #3 above.

Cardinal Pacelli Parent-Teacher Organization

The Cardinal Pacelli School PTO plays a vital role in our educational community as a strong link in keeping home and school close together. Membership is open to all parents and participation in the PTO is required of all parents. An annual volunteer sign-up form for PTO projects is distributed in the spring and fall. Board meetings are monthly except in July and are open to all members.

Many school programs and improvements are made possible through PTO organization and volunteers. These include: room parents, playground supervision, cafeteria supervision, school office volunteers, the "Everybody Counts" program, The "What's Right" program, COSI, social events, school library staff, and numerous fundraising and other volunteer activities. There are numerous opportunities for parents to contribute to the quality of their child's life at school.

Athletic Commission

The extracurricular sports program for the parish and the school is administered by the Athletic Commission which is under the direction of the Parish Community Commission. The Athletic Commission meets monthly except in July. It coordinates team formation, recruits volunteer coaches, schedules practice times, administers concessions and distributes and collects equipment and uniforms.

Fine Arts Commission

This extra curricular activities program was begun in the fall of 1991 and is under the direction of the PTO and school staff. The goal of the Fine Arts Commission is to provide after school opportunities for students to express themselves through the arts.

Volunteer Services

The Cardinal Pacelli School community is grateful to and recognizes the contributions of the many volunteers who make Cardinal Pacelli such a great place to learn and grow. Cardinal Pacelli parents and friends are given many opportunities through classroom and teacher support, PTO events, athletic programs, fine arts events, scouting, and service on numerous boards and commissions to volunteer their time and talents to the school. Cardinal Pacelli

School parents and friends respond often and generously and their interest makes Cardinal Pacelli a very special school.

Fundraising Events

Most school and parish organizations sponsor fund raising events during the year. PTO, Athletic Commission, scouting, and other groups support their programs through voluntary fundraising. Most PTO all-school fundraisers are organized and staffed by volunteers and participation is voluntary. These funds are spent to enhance the learning environment for all CPS students. In recent years purchases have included ceiling fans, folding cafeteria tables, drinking fountains, audio visual supplies and computer hardware.

School and parish groups planning a fund raiser must receive the approval of the pastor and the principal during the group's initial planning stages.

Requirements for Volunteers: VIRTUS Training

Starting July 1, 2014, all people who work or volunteer within the Archdiocese of Cincinnati must attend a live VIRTUS session AND read their monthly bulletins. Additionally, up until now, volunteers, teachers, staff and clerics were required to be fingerprinted every five years. Beginning January 1, 2014, volunteers will not have to be fingerprinted, but they will have to do a background check through Selection.com from within their VIRTUS account.

Definition of a volunteer: Any person who volunteers at the school in the classroom or with any activity (Parent reader, Science parent, Room Parent, Chaperone, Coach, Volunteers at any school event - COSI, Olympic Day, etc...)

You must pre-register with VIRTUS® before attending. Walk-in's are not permitted. To register follow the registration instructions.

Anyone who was trained before August 1, 2012 had the old training and must attend the new Virtus class. Fingerprints, through the Archdiocese, are good for 5 years. Anyone prior to August 25, 2009, their fingerprints have expired and will have to have a background check completed. This takes the place of fingerprinting and the background check is done only once.

After Labor Day, when a volunteer checks in at the office, they will be asked to put on a name tag. These tags will be made for all who have completed the training. Those who have not completed the training will not be allowed to enter the classrooms etc.

If you have any questions, please contact Tracey Anderson our VIRTUS Facilitator at bugmanpete@fuse.net
