Educating the Heart and Mind

September 21, 2022

Cardinal Pacelli School's Mission

Cardinal Pacelli, parish school of Our Lord Christ the King, is driven by Christian values, committed to academic excellence, strengthened by a nurturing community and dedicated to educating both the heart and mind, while serving the Lord.

Mrs. Cento's Weekly Update

Dear Pacelli Families & Friends,

Welcome to Fall, tomorrow! The September or fall equinox signals the shift between summer and fall. According to the Old Farmer's

Almanac, the season will precisely arrive at 8:04 p.m. **Sept. 22** for the Northern Hemisphere.

Integrated Technology and Spanish

Our kiddos are enjoying the new programs at Cardinal Pacelli with Spanish class for Grades 4 – 8 and Tech/STEM classes for students in Grade K – 8. In Tech/STEM the students enrich their knowledge of how to use the computer and how to critically think through tasks in Science, Technology, Engineering and Math. As you can see in these pictures, they were working on who could

build the tallest tower. In Spanish, working on vocabulary pronunciation and putting these words into short sentences are key. All were eager to participate and felt accomplished when they had the correct answer. Take a few minutes to ask your child about what they are doing in these classes and make contact with the teachers, Mrs. Nutter nutter_@cardinalpacelli.org or Mrs. Quintos quintos_d@cardinalpacelli.org if you have questions.. They will be happy to share all the fun they are having with your children!

Junior Diabetes Research Foundation Fundraiser

Many of you know Ms. Lynch, (aka Miss Elaine) as one of our Paraprofessionals at Cardinal Pacelli School. What you might not know is that she is an avid road cyclist who is passionate about many causes, including JDRF (Junior Diabetes Research Foundation). Elaine is participating and fundraising for the JDRF Amelia Island Ride this coming winter, where she will ride 100 miles on December 3rd. JDRF leads the way in scientific breakthroughs that will make it safer and easier to live with T1D, until there are cures. [Click Here](#) if you would like to make a donation to this worthy cause.

Pacelli Village Playground

New temporary signage is now displayed for our Pacelli Playground. The teachers and I are continuing to emphasize the importance of following these rules in the hopes that it will carry over to the evenings and weekends. Following these guidelines will protect the safety of everyone and protect our playground from misuse and vandalism. When visiting the playground during non-school times, please be cognizant of the neighboring homes surrounding the playground and be respectful of their property. We want to be a good neighbor!

The Pacelli Village Dedication and Blessing is set for **Wednesday, October 5th @ 10:00 AM**. All are welcome to attend the ceremony. Weather permitting, we will all gather on the field. Inclement weather, we will move the ceremony to our school gym.

Joy for Your Day,

¡Hola!
World of
SPANISH
¡Celebrating 17 años!

Why learn Spanish with us?

- **Students acquire the language the natural way!**

We don't make students memorize verb conjugations like you did when you were in school. Our natural method easily engages students so that the lessons last a lifetime.

- **We teach the culture, too.**

Our classes, taught by native Spanish speakers, give kids a well-rounded education grounded in hispanic culture.

What a parent says:

"We have two children involved in an after-school program at their elementary school. We are amazed at what they have learned and retained during the first and second sessions. In 15 weeks they know more than I did in two years of high school Spanish classes. The fact that they incorporate Latin American and Spanish customs into the lessons is just icing on the cake. My kids will take these classes for years to come!!!"

"The folks at World of Spanish understand deeply that the secret to getting kids to absorb a second language is to disguise learning time as playtime. Their approach isn't about rote memorization; instead they bring children to a space where culture and language intersect."

Habitat for Humanity Collection

After Mass this weekend stop by the Habitat for Humanity exhibit in the Atrium and learn about all the great work that volunteers have done building affordable housing in our community. Contributions will be received at that time for a new house to be built at **1665**

Jonathan Ave. in Evanston. Our Lord Christ the King Parish is a part of the **Shalom Coalition**, a group of ten Christian Congregations that will build this house. Our volunteers and donations have supported the construction of a house each year for the past 20 years. **The Coalition needs \$100,000 for this year's house.** Please help our parish and the Coalition in this endeavor. If you wish to volunteer to work on this house, please contact **Tom Wittekind** at twittekind@cinci.rr.com. Thank you for your interest and support.

Monsignor Quinn Scholarships Awarded

In a tribute to the founder of Our Lord Christ the King Church and Cardinal Pacelli School, academic scholarships are awarded to four sixth grade students each year. Monsignor Edward Quinn founded Our Lord Christ the King in 1926 and over the following decades initiated the construction of the church and school buildings that are used today. After yesterday's All-School Mass, Father Ed announced the winners of this year's Monsignor Quinn Scholarships: **Jack Hebbeler, Abigail Jagers, Isabelle Payne and Emily Pickup.** Congratulations to the students and their families.

No Greater Love: A Biblical Walk Through Christ's Passion is filmed on location in the Holy Land. It is a Biblical pilgrimage that reveals Christ's amazing love for us. Experience a deeper understanding and appreciation of God's immeasurable and unconditional love for us. This is similar to "The Biblical Walk Through the Mass" series. **We will meet in the Atrium Wednesday 12:00 -1:30 pm Feb. 2, 9, 16, 23 March 2nd.** Sign-up and questions: **Patty Green** pattydgreen@gmail.com

SVDP Request for Our Neighbor in Need - Car Needed

The **Christ the King Conference of The Society of St. Vincent de Paul (SVDP)** is a service ministry in our parish. **We are currently working with a single mom, L.P., who is in need of a dependable car or SUV.** Members of SVDP have been serving L.P. on and off for over 10 years. She has 2 small children, who are both in car seats. L.P. has been drug-free for over 15 months. She now has a good job in housekeeping, and was recently promoted. She needs dependable transportation to drop off her children at day care, and to get to her job. If you have a car or small SUV to donate, please call **Sharon Weckel** at **513-235-1706** or **Jim Dodd** at **812-455-5062**. Thank you for your support of our neighbors in need.

Pacelli Village Project Update

You will soon notice the presence of construction equipment on the Pacelli playfield. We are beginning **Phase 1** of the project. This includes installation of a new turf playfield, playground equipment, basketball courts, and outdoor learning area. Workers are clearing back some of the overhanging trees, removing the old backstop, and will soon begin removing the learning trailer. Once that is complete, they will transition to building retaining walls around the perimeter of the field. [Learn more about the Pacelli Village Project here](#)
