Educating the Heart and Mind

October 4, 2023

Cardinal Pacelli School's Mission

Cardinal Pacelli, parish school of Our Lord Christ the King, is driven by Christian values, committed to academic excellence, strengthened by a nurturing community and dedicated to educating both the heart and mind, while serving the Lord.

Mrs. Cento's Weekly Message

Dear Pacelli Families,

Welcome to Fall! Leaves are falling although the temperatures still feel like summer. However, I believe this is changing for the upcoming days. Reminders to mark all of your child's outer wear.

So many articles of clothing are left at recess on the playfield and most times the students never come to the office to collect their missing jackets, sweaters, sweatshirts, etc. Our office staff would be so grateful if these lost items would have a name on them so we could deliver them to the child.

We only have 18 school days left in October for shorts as part of the school uniform. On November 1st, long navy blue uniform pants and navy blue or black active wear pants for PE class are to be worn until April 1, 2024.

Tights and leggings in either navy blue, black, or white can be worn under skirts, especially for those girls whose skirts are more than 3 inches above the knee. Uniform socks are to either be white, navy blue, black, or the orange spirit wear socks. Unless it is "crazy" socks day, these are the only socks to be worn on uniform days.

More detailed information on the uniform policy can be found on pages 19 – 23 in the Cardinal Pacelli School Handbook. [CLICK HERE](#) for the School Handbook. Thank you for your cooperation.

Pacelli Playfield I have had a couple of complaints from adults who have been on the playfield after school and on the weekends regarding trash that is being left all over the field instead of putting it in the trash cans. I will be speaking to all the students about this but I suspect that it could be our older students who come back to the playfield after visiting the square. No one should be eating on the turf portion of the field at any time. Water only. Sometimes reminders are necessary and it is my hope that reminders from school and home will help to make it better. We have such a wonderful facility and I want it to remain beautiful!

MAP Testing You should have received the MAP testing results last week. If your child did not deliver the envelope to you, please reach out to your child's teacher.

Pending

SafeParish Everyone needs to check their SafeParish accounts. The newest quarterly bulletin has been assigned. **You have until October 22, 2023** to complete this bulletin to be compliant and approved to volunteer in the school, for field trips, and for coaching.

We still have numerous volunteers still “pending” in SafeParish. Many are “pending” because they have not checked the box for acknowledging the new decree.

Some are late on the video bulletins. We are mandated by the Archdiocese to have all our volunteers up-to-date in SafeParish. This also includes those involved with athletics. Please take a few minutes to review your account and make it current if needed. Weekly emails go out to all those who are not approved for various reasons. If you are not receiving these emails, please check your SPAM.

Volunteer Procedures If you are an Approved volunteer according to SafeParish, you will have a name badge in the blue index box at the front desk of the school office. If you have just registered, it may take a couple of days for your electronic background check to come through. I recommend getting registered now and not waiting if you plan on being a volunteer for any event at school. If you wait until the night before you plan on volunteering here, you may not be approved in that short amount of time, especially if you are a new registrant.

Job Opportunities Please [Click Here](#) for more information regarding job opportunities at our school.

Recess & Cafeteria Aide: If you are not interested in the Recess or Cafeteria Aide for yourself, maybe you know someone who would be interested. Please share this with others. With an additional paid person in the cafeteria and at recess, teachers will be able to enjoy a full lunch period. As of now, those who have a scheduled duty, only get about 15 minutes to eat. It would be very much appreciated if you could pass this information on to anyone who may want to earn a little extra money and spend time with some wonderful children.

Auxiliary Clerk: Recently, we lost our clerk from Cincinnati Public Schools. This position is an intricate part in the Auxiliary funding from the state for school purchases. It is a two day per week position (approximately 15 hours per week). It is mostly clerical and ordering but does involve checking in orders, tagging electronic devices, stamping textbooks, and delivering items to classrooms. Cincinnati Public is posting the position but if you are interested, I can get the details of applying for the position to you.

"Prayer can truly change your life, for it turns your attention away from yourself and directs your mind and your heart towards the Lord."

Prayerfully Yours,
Mrs. Terri Cento
