

Fourth Grade Summer Reading Assignment

We believe that independent reading is very important. We also believe that reading should be FUN! Over the summer we would like all incoming fourth graders to read at least TWO books of your choice. Of course you can (and should!) read more than two books if you would like! Sometime before the first day of school please choose your favorite book that you read and bring it to school. The first week of school we will be using the books for a lot of fun activities. Happy Reading!!!
