### **DR. MARTIN'S MESSAGE**

On October 31, next Thursday, the students will participate in Ghoulish Games and wear their costumes to school. I have several guidelines that I would like the children to follow in regard to choosing a costume. First, the costume needs to be age appropriate. This includes not wearing revealing clothing or anything too graphic or gory. Second, for safety and identification reasons please do not have any costume or mask that covers the face or any heavy face paint. Third, no weapons. Toy weapons like swords, guns, or knives are banned. Costumes should allow the student to move freely without causing tripping hazards or be an obstruction in class. Props that hinder walking or navigating the hallways should be left at home. These guidelines help maintain a positive atmosphere while allowing the students to participate in the afternoon's activities. In the morning, they will participate in their normal morning classes.

### **A MESSAGE FROM OUR NURSE**

Dear Parents/Guardians:

We feel that it is a good time to review some information about sick students. We have been seeing an uptick in illness such as croup, pneumonia, and vomiting. If your child gets sick, it is often most appropriate to keep him/her home from school. Once you have followed up with your child's healthcare provider, please follow their instructions for return to school in addition to our illness policy.

A child who is sick will not be able to perform well in school and is likely to spread the illness to other children and staff. Please make arrangements for childcare ahead of time so you will not be caught without a place for your child to stay if he/she is ill.

Our school policy states that you should not send your child to school if he/she has:

1. Fever (>100.4 degrees) in the past 24 hours
2. Vomiting in the past 24 hours
3. Diarrhea in the past 24 hours

In addition, if your child has a bad or continuous cough please keep him or her home and follow up with a health care provider.

If your child becomes ill at school and the teacher or school nurse feels the child is too sick to benefit from school or is contagious to other children, you will be called to come and take him/her home from school. It is essential that the school have a phone number where you can be contacted during the day and an emergency number in the event you cannot be reached. Please be sure that arrangements can be made to transport your child home from school and that childcare is available in case of illness. If your daytime or emergency phone number changes during the year, please notify your child's teacher immediately.

These guidelines are meant to serve the best interests of all the children in our school. If you have questions or concerns please do not hesitate to contact your child's health office.

## **JUNEFEST CHAIRS NEEDED**

Calling the Our Lord Christ the King and Pacelli community! Remember how much fun you had at Junefest this past summer?? The next one will be here before we know it!

We are currently looking for parish/school members to chair Junefest 2025! It is a GREAT way to get involved, give back to this amazing community and meet new people! If you're interested in being a part of this FUN, rewarding experience, please contact us and we will answer any questions you may have!

A new system is in place so that the prior year chairs will be assisting new chairs in the planning process, in an advisory role. This will help streamline tasks and logistics and minimize workload for the new chairs - both during the planning and the festival weekend. We will work with you hand-in-hand, and are excited to get started! Please email [jenhardin24@gmail.com](mailto:jenhardin24@gmail.com) to connect. Thank you!

Your Junefest 2024 Co-Chairs:

Jaime and Andrew Lorey

Carolyn and Kris Durstock

Jen and Matt Schildmeyer
