Cardinal Pacelli School accepts scholarships provided through the EdChoice Traditional Scholarship Program and the EdChoice Expansion Program

The EdChoice Traditional Scholarship Program

- Provides state-funded scholarships to students who attend or are assigned to an EdChoice designated public school building.
- Families who live in neighborhoods covered by these individual schools can apply for a scholarship to use towards tuition at Cardinal Pacelli School. It is important to note that this scholarship is only for incoming students who do not currently attend a private school. However, incoming kindergarten students of current Cardinal Pacelli School families and siblings of high school students currently receiving the scholarship can apply.
- The complete list of designated public schools can be found on the Department of Education website.

The Edchoice Expansion Scholarship

- An income-based program for students in grades Kindergarten - 8 based on family income level.
- Scholarships for EdChoice Expansion are awarded based on the Adjusted Gross Income (AGI) of a family's household. If a family's household income is at or below 450 percent of the Federal Poverty Level, they will be awarded the maximum scholarship amount. If a family's household income is at or above 451 percent of the Federal Poverty Level, the student's scholarship award will be prorated.
