

Day 1 – Assignment

Using materials that are in the gym, or easily accessed, create a game that we could potentially play in P.E. class at Cardinal Pacelli.

List the following:

1. Items and materials necessary to play
2. Rules of the game and any details/explanation you feel is necessary.

Be as detailed as possible, explaining in depth is the best way to convey the message. Write this so that if someone is reading it, they could go step by step and complete the game, and explain it to a class to be able to play.
