

Dear Pacelli Families,

This summer’s math work is tailored to your child and where they are on their Math journey. To continue their learning and prepare them for the upcoming school, please complete **8 Lessons (Complete + Passed)** before we return in August.

There are two windows in which students can complete these lessons: May 27 - July 5 AND August 1 - August 18. IReady will be down for maintenance for several weeks in July. This will be a great time for students to work on their reading assignments!

Date	IReady Math Lesson Title	Please  this box when your child successfully passes the Lesson.
