Summer iReady Math Log

Fill out this chart throughout the summer each time you work on a math MyPath lesson. **You are required to complete AND pass at least 10 lessons.**

You can choose when to complete your lessons, but it is strongly suggested that you spread it out. You need to log each time you work, but the score does not need to be logged until the lesson is complete.

There are two windows in which students can complete these lessons:

- May 27 – July 5
- August 1 – August 18

****iReady will be down for maintenance for several weeks in July – this will be a great time for students to work on their reading assignments!****

*If needed, extra logs can be found on the school website with the 3rd grade summer work.
