NAME :

# SUMMER MATH ACTIVITY LOG

For summer math homework, you MUST complete AT LEAST 10 different math activities and record them on this log. 4th grade math builds on topics covered in 3rd grade math so it is CRUCIAL to have strong fact fluency. These logs WILL be turned in for a completion grade.

Activities can Include:

- Pages completed in Simple Solutions or My Math Books
- Practicing Math Flashcards for 15 Minutes
- Math Games such as Multiplication War
- Working with a Math Tutor

| Date | Description of Activity | Parent Initial |
